

Greetings Boys & Ghouls! There's much to talk about this time, so pay attention!

First off, Poptown Records is proud to announce the release of **THE MORGUE THE MERRIER**, our best compilation record to date featuring 15 great bands from across the country! Artists include Richie Scarlet (with Dennis Dunaway & Neal Smith from the original Alice Cooper Group), The Dead Elvi, The Scared Stiffs, Calabrese, Psycho Charger.....to get all the details and/or to purchase the disc, just go to www.PoptownRecords.com

In related news, ace promoter Ilise Carter invites you to **THE MORGUE THE MERRIER release party** happening Saturday November 19 at the Delancey, NYC! The night will feature performances by many of the bands appearing on the disc. Go to www.Delancey.com for directions & more info.

While you're at the Poptown Records homepage reading about THE MORGUE THE MERRIER, don't forget to check out our other new features including a page dedicated to the **Help Heal Heidi Benefit Concert** and a tribute page to the late great **Tommy V.**! Anyone who has photos or recordings of Tommy that they'd like to post on the site is encouraged to contact info@PoptownRecords.com

If yer dyin' to get out to celebrate Halloween, make yer way down to the **Vintage** in White Plains for their Annual Halloween Ball Saturday **October 22** featuring the **SCARED STIFFS** and **UGLY FRIEND**! Go to www.vintageclub.com for directions & more info.

If yer planning to spend Halloween weekend locked up in yer dungeon, keep the television set to **Spike TV** so that you can catch **THE SCARED STIFFS** and the Captain Morgan Rum Pirate co-hosting Spike's monster movie marathon!

In the mood to take an autumn drive? Go catch **Bert Carey's Blue Manchu** (featuring members of Savoy Brown) playing at the Burlington Blues Festival on Saturday October 22 in Charlotte, Vermont presented by WCLX radio!

Are you a metal maniac? If so, don't forget that **LUGOSI'S NEEDLE** debut recording, The Light That Failed, is now available via www.PoptownRecords.com

Are you interested in being on our next compilation? Poptown Records is now accepting your finished recordings for consideration! Send a CD along with information about yerself or yer band to:
