

Greetings Poppers & Poppettes! We're in the middle of a very *Stiff Summer!*

The reviews of **Autopsy Turvy** keep pouring in! Go to [www.PoptownRecords.com](http://www.PoptownRecords.com) to read recent reviews of **the Scared Stiffs** new disc from the **World Horror Network** (<http://whn.diemonsterdie.net/reviews.html>) and from **Horrorwood Babbleon** (<http://horrorwoodbabbleon.com>)

Then you can listen to the Scared Stiffs version of the **Dictators** classic *Stay With Me* currently in rotation on **Bill Kelly's** Black Hole of Rock & Roll Radio Show on **WFMU 91.1 FM** (<http://www.wfmu.org/playlists/shows/15810>) or you can hear from a variety of Poptown artists by grabbing any of the **DJ Blank Underground New York** podcasts at **Podarama** ([http://www.podarama.com/podcasts/djblank/djblank\\_default.html](http://www.podarama.com/podcasts/djblank/djblank_default.html))

If that's not enough ...get out this **Saturday** night, **August 6**, to see the **Scared Stiffs live** at the **Front Row** in Mahopac NY (845-628-9873). Also appearing will be the Uncalled Four at 9pm and Ugly Friend at 10pm.

Poptown is very pleased to announce that hits to our web site have been steadily increasing every month for the past quarter by over 50% per month! That's a lot! To keep the momentum going we have set up an additional page at <http://www.myspace.com/poptown> for the rekkid company as well as My Space pages for each of the bands <http://www.myspace.com/thescaredstiffs> and <http://www.myspace.com/legosisneedleband> and etc....

In other Poptown news - get ready for a new Poptown Records creepy compilation coming this Fall - to be out in plenty of time fer Halloween! Confirmed acts on the disc include **Richie Scarlet**, the Dead Elvi, Calabrese, Psychocharger, Bombshell, Spooky Pane and many, many more!

Also, in response to all the requests we've been getting, I'm sorry to say that **Legosi's Needle** discs aren't in yet – but they're due any day! So stay tuned!

See you Saturday night at the Front Row!
