Look for Michael's new project *My Darling Clementine*, which will co-star Lou Dagleish. Described as "an out and out Country record, not alt country, not Americana, but an album that harks back to the classic country duets of George and Tammy, and Dolly and Porter". Featuring 12 songs of betrayal, infidelity and heartbreak, *My Darling Clementine* will also include Martin Belmont, Kevin Foster, Jim Russell, Gerraint Watkins & Alan Cook.

## SHE WOLVES BACK ON THE PROWL!
